Join us on **Thursday, September 29th, at 3 PM ET / 12 PM PT**, as Real-Time Intelligence experts from Flock Safety and the National Real Time Crime Center Association (NRTCCA) cover:

- How to build your pathway to a real-time center using layered technology
- How you can facilitate effective communication between real-time centers to drive down

regional crime rates
- Flock Safety's latest deconfliction tools and best practices

Hope to see you there!
